Program Offerings

Hello MBA aspirants! The insecurities that have been there since COVID-19 must be known to all of you. Everyone has been feeling the psychological and financial effects of these anxieties. And we think that in the next decades, the issues will undoubtedly become more prevalent.

The biggest effect could be postponing or delaying your desire to earn an MBA. So, here we have come up with the best for you -

Corporate Engagement Advocacy (CEA)

Through Corporate Engagement Advocacy (CEA), the Career Advancement Program (CAP) provides help to the students. And we strongly suggest our CEA program to all MBA students and recent graduates aspiring to be MBAs.

Objectives

The main objective of the course is to engage students with a company as an intern or to join an incubation of a business idea. (This is with ref. to Made in India by our Honorable Prime Minister).

AICTE has approved the two-year CEA Program. It's affiliated by the Mumbai University and the different Career Prof Partner Institutions. You may choose to work full-time or part-time on the project.

The Following Course Option Are Available: Full-time Program -

MMS/MBA

(UNIVERSITY OF MUMBAI / UGC)

PGDM

(AICTE)

For Graduates:

Any graduate from a UGC-Approved University in 2019–2020, 2021–2022, and 2022–2023 willing to pursue an MBA in addition to Career Development can sign up for this course.

For Working Professionals:

The CEA MBA program is advised for working professionals in addition to graduates. This also applies to recent graduates who had a longer than one-year sabbatical.

The Education Web

- 
1. Education Loans
 2. For Graduates & Working Professionals
 3. Internships in Companies & Incubation Programs
 4. CET, CAT, MAT, XAT, NMAT, etc. candidates eligible for admission
 5. CEA Program - AICTE Approved/Mumbai University Affiliated
 6. Placement Support

This course adheres to the rules set forth by all Statutory Bodies or Legislative Agencies. AICTE, DTE, and the program's entire schedule — both online and offline, are accommodating.

A 50% score in graduation and passing the AICTE entrance exam are pre-requisites for enrollment in the course. Students in their final year can also apply for provisional admission. You can also discuss loans with the financial section.

Non-Government Organisation (NGO):

Under the NGO project, students get an opportunity to observe the functioning and management of the Non-Profit Sector. The main objective includes building compassion for the vulnerable and marginalized sections of the society, creating awareness about the role played by the NGOs in pursuing remedial actions towards the social problems.

Pragmatic Leadership Development Program (PLDP):

The objective of PLDP is to instill certain features in the potential managers of a management class. These characteristics include abilities to operate under pressure, perform with resource constraints, perform in teams or as a one-man team, learn analytics, case writing, pragmatic sales, sales closure, communication, team spirit and so on.

PGDM - AICTE Approved:

PGDM is a conventional Postgraduate Program offered by the partnering institution. All the features/innovations applicable to the aforesaid program are also included in this program.

Soft Skills

These are a combination of abilities related to people & social situations rather than a person's technical abilities. Eg. Soft Skills: Relationship-building, Teamwork, Communication, Problem-solving, Decision Making & Leadership.

Academic Training

This majorly includes subject training based upon current market requirements, with support of various case studies, live examples & practical learning. These are evaluated on the basis of tests, projects, presentations & exams.

B.C.C.

Business Culture & Communication affects the way people think about the business & the way they express about it. The training of cultural attitudes toward business will help students communicate efficiently and effectively when working with people from other cultures.

Corporate Training

It helps ensure that students have the knowledge and skills needed to perform their jobs effectively, as well as staying up to date with industry trends and regulations.

Industrial Visit

This provide the students with an opportunity to understand working methods, technologies and employment practices of a company.

Rural Immersion

This allows students to develop sensitivity to rural issues through direct experiential learning. Students are connected with the local NGO partners working in the areas of livelihood, health, and education.

CEEMAN Certification

CareerProf MBA is the only Member Institute of CEEMAN representing India. This verifies that the Accredited Management Education Institution is very effective at preparing students for the world of work. The graduates are equipped with appropriate skills, competences and knowledge to become respected leaders capable of responding to the development needs of their local and wider environment.

ADAPTIVE & BLENDED LEARNING ENVIRONMENT AT CAREERPROF

COMPUTER-BASED TRAINING:

We support hands-on learning and want students to become proficient with the tools. Thus, sectoral analysis, Advanced Word and Excel, Powerpoint Presentations from Microsoft Office, and Python are all included in the CBT session.

TEAM BUILDING:

Our training sessions consist of team-building activities and games to help groups and teams function better together, communicate better, build trust, raise morale, and create a more harmonious and productive work environment.

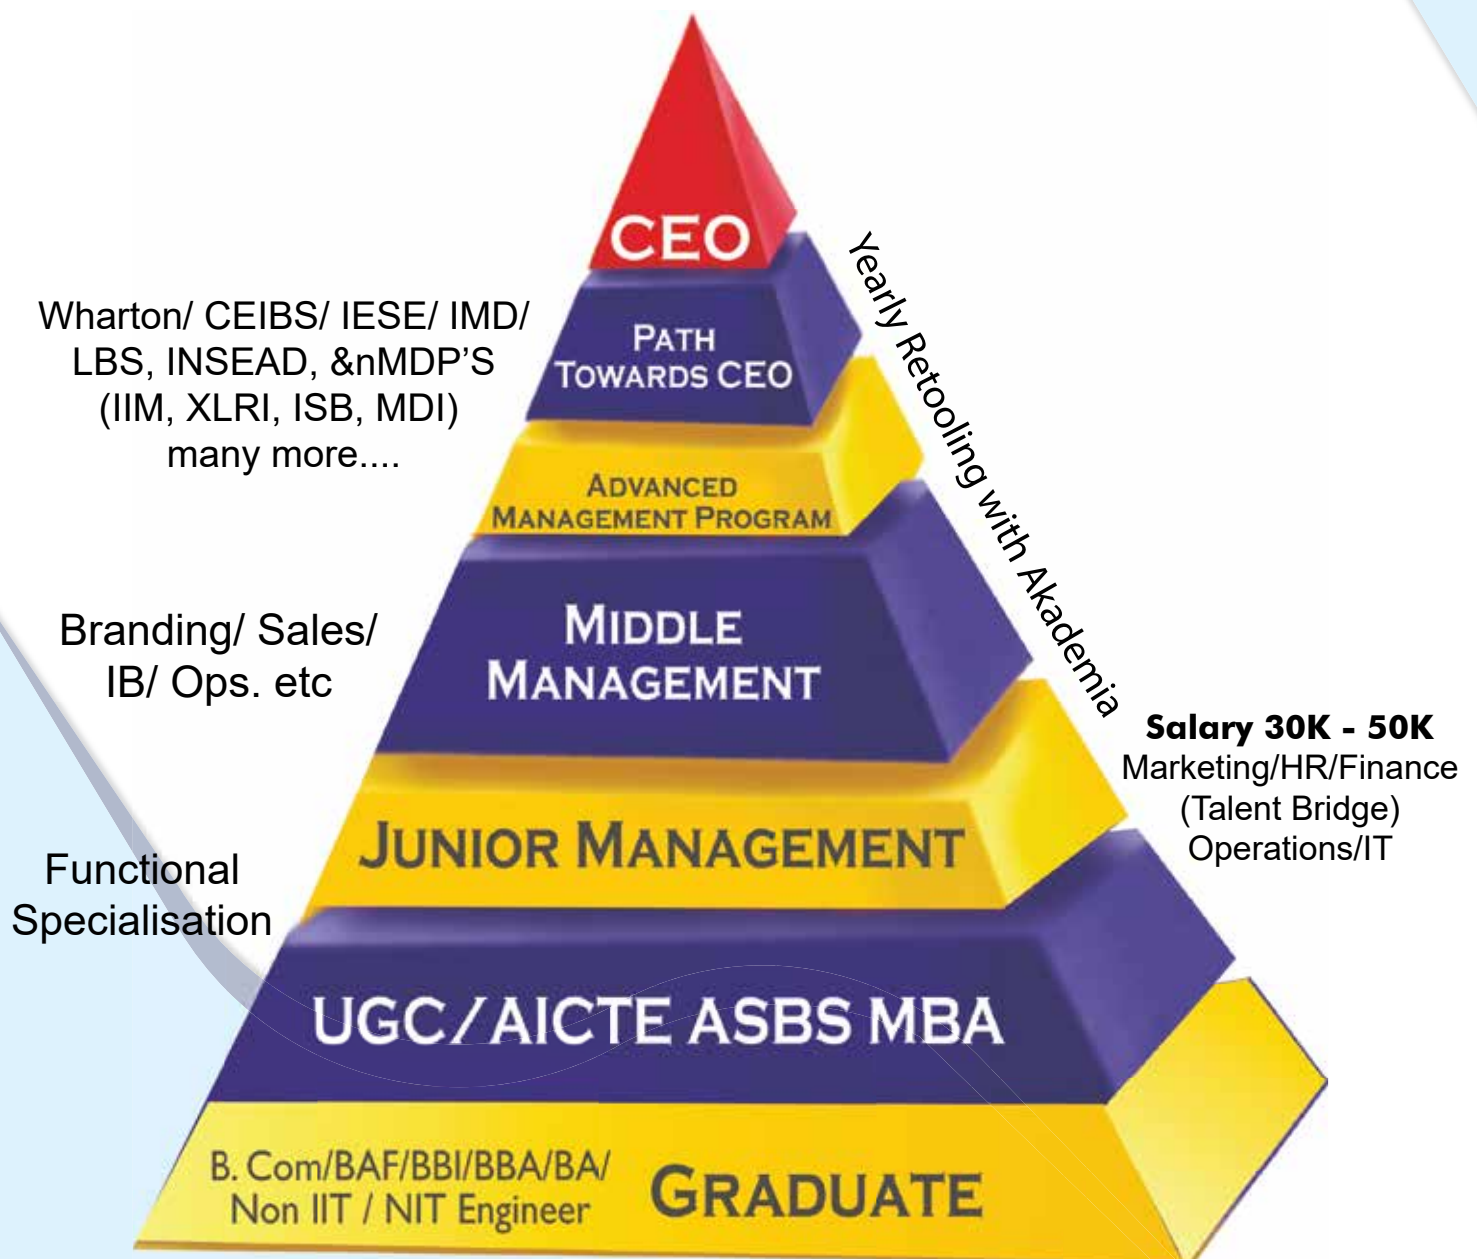

CAREER PROF EXPERIENTIAL LEARNING APPROACH:

Experiential learning during the MBA program involves practical, real-world experiences like internships and case studies, that enable students to apply theoretical knowledge to actual business situations, fostering critical thinking and practical skills.

DELEGADO PYRAMID

ABOUT DELEGADO

Step 1:

Talent Bridge UGC-AICTE approved CAP-MBA program is the state of the art infrastructures in Mumbai-Pune with training-development and placement centric focus. In this Talent Bridge, CAP-MBA student has an option to opt for certain Domains too to ensure 100% management grade employment just after their MBA in the 25-40 K CTC per month. In addition certain Hard- working/high-performance students will have opportunities even in the 6-9 lacs per annum bracket because of the genesis and connection with CareerProf CAP

Step 2:

The CAP-MBA and so does the top 25 Indian B-School pass outs needs annual retooling. This annual retooling is an exercise of 24 hours every year-rather year after year for a minimum of one to maximum of 3 years on convenient weekends and predominantly targeted to additional support every CAP-MBA to improve their performance in their designated jobs, Orient them about other opportunities, assist in profile building towards Advance Management Programs (Step 3), build multi-lingual abilities, build social responsibility professionals, help students to move sectors and assist in remuneration-savings management aspects of a truly professional manager.

Step 3:

This is the biggest USP of CareerProf. This is a high end consulting for select few -MBA students who have religiously been a part of step 2 of Delegado and have ensured that they have built the right profiles to study in the Ivy League Management programs of the world. CareerProf understands and proudly boasts of its assessment of the profiles of potential Ivy League admits more than anyone else in the world. The rich experience that CareerProf professionals impose in the MBA space is backed by the fact that many admits in the Ivy League Programs including Harvard, LBS were supported by CareerProf professionals in either individual capacity or as professionals in their previous assignments. In this step of Delegado - all eligible CAP-MBA students will be guided and

provided complete consulting solutions to upgrade further. The current CareerProf charges for this step 3 for NON-CAP students is in the bracket of 50000- 100000 INR. All fees applicable for the AMP will be paid for by the CAP candidates themselves - however, CareerProf will plan and support all candidates in the management of the financial requirements for the program.

Step 4:

This is the ultimate step in climbing the CEO path wherein every CAP-MBA who is an AMP pass out will be given a relevant AMTA as a mentor under the strict monitoring of CEO CareerProf. This step is more of coaching AMP-CAP MBA pass outs that are applicable only at the highest level

The eight - year Management consulting Program is a 4 step initiative that creates a path to becoming a CEO for the 12+3 graduate, Engineers, Pharmacy graduates and those who cannot make it to the Top 25 Indian B- school.
